Refunds in Deposit Account  
United States Patent and Trademark Office

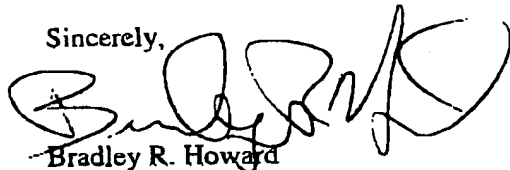

Re: Incorrect charge on DA 19-2112

Dear Sirs:

On June 2, 2003, our attorney Jesse J. Camacho submitted the attached Supplemental Response along with a check for the \$246 fee. On June 3, 2003, he faxed in a completed version of this response. This fax is attached along with the fax machine's confirmation report, showing that it was received by the PTO on June 3, the deadline for the response. Despite the timely submission, the Deposit Account above was charged \$110 for fee code 1251 "Extension for response within first month." For these reasons, we respectfully request a refund in the amount of \$110.00 to our Deposit Account.

Thank you in advance for your consideration. We look forward to hearing from you soon.

Sincerely,

Bradley R. Howard  
Staff Paralegal for Intellectual Property

COMMENTS/MESSAGE:

Examiner Boutah,

This facsimile includes a complete response to the Office Action dated March 3, 2003, which is denoted in the left portion of the footer as "1236381v5." I phoned you earlier today notifying you that we inadvertently mailed the initial Response without the corrected drawing. I then prepared a Supplemental Response, which was also mailed. However, it appears as though the Certificate of Mailing of the original Response was not signed. Thus, I am faxing you a complete response and requesting that you please disregard the two other versions that will arrive at the PTO soon. When it arrives, please credit the \$246 check to Deposit Account No. 19-2112. This solution is intended to reduce confusion, but if you have any questions, please do not hesitate to phone me at 816-480-5654.

Respectfully submitted,

Jesse J. Camacho

**SUPPLEMENTAL RESPONSE TO FIRST OFFICE ACTION**

Dear Examiner Boutah:

The response to the March 3, 2003 Office Action was inadvertently mailed yesterday (June 2, 2003) without the replacement drawing figure, FIG. 11. I phoned you today and you cordially indicated that I may submit the missing figure with this supplemental response.

Accordingly, submitted herewith is the replacement figure having the desired changes, without markings, in compliance with 37 C.F.R. § 1.84. The figure number in the amended drawing is not labeled as "amended." The changes are explained in the remarks section of the June 2 Response, but are also reproduced below in *italics* for ease of reference:

Application No. 09/520,435

**Drawing Objections**

*The drawings were objected to because reference character "124" in figure 11 referred to both "cjOut" and "DrvQueryDeviceSupport function." Applicants propose correcting the drawings by referring to the "DrvQueryDeviceSupport function" using reference numeral "123."*

*Regarding a similar duplication, Applicants note that reference numeral "114" was also duplicated in FIG. 11. Applicants suggest renumbering the first instance (referring to the "pso" field) to "113." Thus, the psd field becomes "113" instead of "114."*

*As described above, the specification has been correspondingly amended. A replacement figure that includes the proposed changes is included for the Examiner's approval.*

The Commissioner is hereby authorized to charge any additional amount required, or credit any overpayment, to Deposit Account No. 19-2112.

Respectfully submitted,

Jesse J. Camacho
